Attention: Jared Morrison – Director, Water and Waste Programs

Subject: Notification Establishing Assessment Monitoring Program
Tecumseh Energy Center
Bottom Ash Settling Area

Dear Mr. Morrison:

On behalf of Evergy Kansas Central, Inc., in accordance with the Consent Agreement and Final Order In the Matter of Evergy Kansas Central, Inc.: Docket No. RCRA-07-2023-0001 dated November 7, 2022 (CAFO), Haley & Aldrich, Inc. has prepared this notification that an assessment monitoring program has been re-established for the Bottom Ash Settling Area (BASA) at the Tecumseh Energy Center (TEC). In August 2020, the BASA completed closure by removal and was certified closed in accordance with Title 40 Code of Federal Regulation (40 CFR) § 257.102(c). Pursuant to Paragraph 10.a. of the CAFO, the TEC BASA surface impoundment has been reopened for further assessment monitoring, and the assessment monitoring program has been re-established to meet the requirements of 40 CFR § 257.95.

If you have any questions or comments, please contact us.

Sincerely yours,
HALEY & ALDRICH, INC.
