Wednesday, March 23 Thursday, March 24 Friday, March 25

What time might be best for your interview? Morning Afternoon Time _____

Please answer the following questions to the best of your ability. Failure to answer the questions will eliminate you from consideration. Please attach a separate sheet of paper to your application if you need more space than what is provided. Be sure to number the questions appropriately.

1. You're a new employee working with a co-worker who dings the door on the company vehicle at the job site. The co-worker tells you the ding is minor, not a big deal and no need to report it. What do you do?

2. Explain the research that you have done concerning the line worker and/or wind energy job(s) and give a description of the job duties as you understand them. In your chosen career, where do you see yourself in 10 years?

3. Give examples of ways you could possibly get hurt or injured at home or school. Explain what you do to keep yourself and others safe.

4. Change is constant, and that is also true in the world of energy. How do you deal with change? What changes in the past decade excite you most about the energy field?

G.P.A _____ ACT/SAT SCORES _____ ASVAB SCORE _____ (if no ACT/SAT scores available)

If you haven't taken the ACT/SAT test, do you plan to? If yes, when will you be taking it?
_____ If no, please put NO as your answer.

Essay Question

In a short essay not to exceed 250 words, rank the following words in order of importance and explain the reasoning behind your decision.

Production, Safety, Quality

Application Checklist

- Application is completed and signed
- Short answer questions are complete
- Essay question is complete
- A transcript of your high school grades with your cumulative G.P.A. is enclosed
(Please include your ACT/SAT test scores with your transcript if you have test scores available.)

THIS APPLICATION MUST BE SUBMITTED NO LATER THAN MARCH 1, 2022
