RE: Notification of Intent to Close
Tecumseh Energy Center Landfill, KDHE Permit No. 0322
Evergy Kansas Central, Inc. (f/k/a Westar Energy, Inc.)

To Whom it May Concern:

Pursuant to 40 CFR 257.102(g) of the Coal Combustion Residuals (CCR) Rule, this will serve as notification of the Evergy Kansas Central, Inc. (f/k/a Westar Energy, Inc.) intent to close the Landfill at the Tecumseh Energy Center. The unit will be closed by installation of final capping in accordance with the current closure plan titled "Closure Plan, Tecumseh Energy Center, Industrial Landfill #0322", dated October 13, 2016, and/or any subsequent revisions, developed pursuant to 40 CFR 257.102(b). Evergy considers closure to be initiated under the CCR Rule as of the date of this notification.

Sincerely,

A handwritten signature in black ink that reads "Jared Morrison". The signature is written in a cursive, flowing style.

Jared Morrison
Director, Water and Waste Programs
